

Native Network joins AT&T Partner Exchange

WENATCHEE, WA (March 11, 2019) – On Monday, Native Network announced they will be taking advantage of the AT&T* network and has joined AT&T Partner Exchange®. Native Network can now bundle and resell AT&T network, mobility, hosting or security solutions with its own services to serve as a one-stop shop for business customers.

Native Network is working to stay ahead of its customers' needs as business demands evolve, giving them access to highly secure, reliable and scalable mobility and wireline solutions from AT&T.*

"We are looking forward to bundling our expertise with innovative services to meet our customer's increasingly complex needs," said Jenny Rickel, Chief Operating Officer, Native Network. "This will allow us to continue to be the trusted advisors business customers count on."

"Business customers rely on technology to help them move faster, become more efficient and drive their results. Working collaboratively, we look forward to helping Native Network help their customers do just that do just that," said Sara Straley, AVP Sales & Marketing, AT&T Partner Exchange. "Not only will Native Network have access to the strategic wireline and wireless solutions their customers demand, but using our enablement tools and innovative resources, they can also increase their responsiveness."

Native Network, Inc. provides a full suite of telecom services designed to connect, empower so it's customers whether tribal or local can prosper. This team of seasoned telecom veterans can help their customers with any aspect of technology deployment or replacement.

**AT&T products and services are provided or offered by subsidiaries and affiliates of AT&T Inc. under the AT&T brand and not by AT&T Inc.*
