

## ACT NOW!

At the end of this year, the funding for the current Internet service provided by the Lower Elwha Klallam Tribe will run out; however, *a new program could still allow you to receive FREE or reduced-priced Internet.*

Native Network will continue to offer the existing Internet service at your location for a monthly fee of \$69.95 ... AND it could be entirely paid for or dramatically reduced by a national Internet program called the Affordable Connectivity Program (ACP), if you are eligible.\*

\* = Some restrictions may apply.

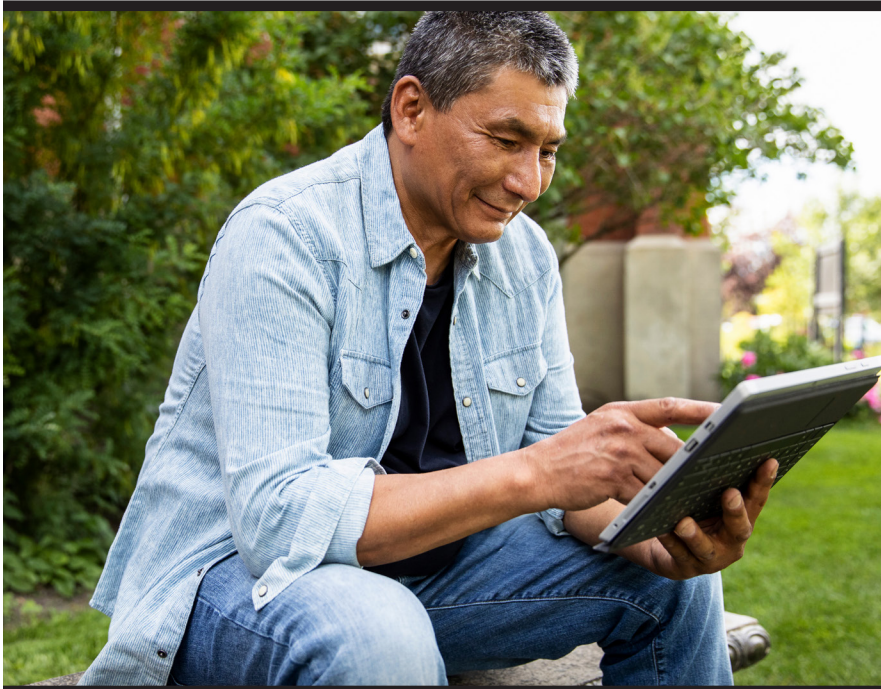

**IF YOU DON'T RESPOND & SIGNUP, YOUR EXISTING INTERNET SERVICE WILL DISCONNECT ON DECEMBER 31, 2023.**

# FREE INTERNET\*

\* = DEPENDING IF YOU QUALIFY FOR THE AFFORDABLE CONNECTIVITY PROGRAM (ACP) & LIVE ON TRIBAL LANDS.

### » STEP 1

Apply for the Affordable Connectivity Program (ACP). Complete the National Verify Application at [www.affordableconnectivity.gov](http://www.affordableconnectivity.gov)

### » STEP 2

Follow the instructions and complete the enclosed "Signup for Internet Service" form or go online at [www.nativenetwork.com/lekt](http://www.nativenetwork.com/lekt)

NOTE: If you don't qualify for the Affordable Connectivity Program (ACP) you can still purchase our up to 100/20 Mbps Internet service for \$69.95 mo. plus applicable taxes & fees.
